

# **Fonts.Gr**

## **DTP Fonts License**

### **Users Notification**

Please read this license carefully before using the software. You may only use this software if you agree to the following terms and conditions. By downloading and / or installing Fonts.Gr software (Greek Digital Type Library) you agree to the following terms:

### **Terms of Use**

If you enter into this agreement on behalf of your employer, the terms and conditions set forth below apply to your employer as well as to you as your employer's representative. If your partnership with your employer is terminated, you will no longer be entitled to use the Fonts.Gr software, but your employer will continue to be licensed.

1. The electronic file shall contain software and related documents. This software creates font designs, outlines, and digital metrics when used with the right computer.
2. A non-exclusive right to use the software is provided by the ability to install it on the number of computers / workstations listed on the purchase invoice.
3. If the number of computers on which you wish to use Fonts.Gr Software exceeds the number specified by the aforementioned License definition, then you must obtain a license extension that covers all the drives in which it will be used or will be saved Fonts.Gr Software and you will be charged extra. To determine the number of units, add all processors, workstations, printers, and other devices that use fonts. The workstation is any computer, display terminal, processor or device on which the software is installed, integrated or included.
4. Fonts.Gr software is expressly stated that cannot be modified, adapted, translated, altered, modified or duplicated in any manner whatsoever.
5. You are permitted to make copies only for security reasons. Fonts.Gr Software and Documents explicitly prohibits the rental, sublease, concession, donation or further distribution to another person or entity. You agree that all or part of the Fonts.Gr Software will not be made available or distributed through any on-line service and you agree that any such deliberate distribution is a theft of ownership of Fonts.Gr.
6. You agree that any derivative works created by you from the Fonts.Gr software, including software, EPS files, or other electronic works, are considered derivative works and your use of the derivative works is subject to the terms and conditions of this License. Derivative works may not be leased, sold, leased, rented, lent, or provided without the written permission of the Company. The Company is not responsible for the unauthorized, modifying and / or adapting the software or derivative works.
7. Unless otherwise stated, any embedding of Fonts.Gr software is prohibited. Indicative but not limited to products, applications or electronic files that could embed fonts include, among others, .pdf (Acrobat), Web Embedding Font Technology, Flash or TruDoc. You are allowed to create a .pdf file for the purposes of printing to a printer or printer as well as for personal or corporate use, without modifying or editing it. This license does not permit the distribution of commercial products, e-books or applications that incorporate Fonts.Gr software. For the issue, distribution, download, etc. e-books, applications, or files for websites, portable devices, tablets, phones, etc. incorporating Fonts.Gr software necessarily require an extension of this license. Contact the Company for more information.
8. Fonts.Gr software is protected by Greek laws and international copyright law. You agree to use the trademarks and intellectual property rights associated with the Fonts.Gr Software in accordance with their accepted use of the Software, including the proprietary name of the Company. Use of the Software and Trademarks of the Company P. Charatzopoulos and Co. no ownership is granted to the user.
9. In the event of non-compliance with any of the terms of this Agreement, the Company reserves the right to terminate this license. Any breach of the terms of the contract may be brought in civil and criminal proceedings under Greek law and international conventions.
